

Family Precautions: COVID-19

Before You Arrive

- ✓ Double checking you are healthy and ready to see your therapist
- ✓ Be sure you have your mask and your parent does too
- ✓ Be sure to use the restroom before to coming to the clinic

Arriving at the Clinic

Arriving with Your Parent/Guardian

- Park in the clinic parking lot
- Call the front desk to answer Pre-screening questions
- Please wait safely in your car until your therapist comes for you

Arriving with a Car Service

- Call the front desk approximately 10 minutes before arriving at the clinic
- Answer the Pre-screening questions
- Your therapist will be waiting for you outside

Entering the Clinic

Masks

Please feel free to talk with your therapist if you are unsure of the clinic guidelines

- **Under 5:** Not required
- **Medical Condition, Restrictions and Tolerance level:** Not required
- **Parent/Guardian entering the clinic:** Required

At the Front Door

- Your temperature will be taken
 - If your parent/guardian is joining, they will have their temperature taken too
- We will hand sanitize our hands before walking in to the building

Washing Our Hands:

- We will wash our hand for 20 seconds before starting our session
- If your parent/guardian is joining they will wash their hands too

Therapy Sessions

Beginning

- Your therapist has selected sanitized toys, for your session
- You will be engaging safety precautions while having a fun time

In the Room

- Your session will occur in the therapy room to ensure social distancing
- If you are going to play outside, your therapist will lead the way

Ending

- You will follow your therapist to the bathroom to wash your hands before leaving
- This time, you will be exiting out a different door

Leaving the Clinic

Leaving with Your Parent

- Once you have exited the building you will go to your car and head home
- If you forgot an item in your therapist's room
 - Call the front desk and someone will bring it to you

Leaving with a Car Service

- Once your session has ended, you will check to see if the service has arrived before exiting the building
- If they have not arrived, you will be taken to a designated area to wait
- If you forgot an item in your therapist's room
 - Call the front desk and someone will bring it to you
